

BCIT Entrepreneur Trade Show Business Management

November 28, 2017

Have fun by helping budding entrepreneurs!

Our students have great ideas. You have the experience and knowledge. Come and test the feasibility of their business plans. You are welcome to ask about revenue projections, target market, supply issues or other business challenges. The students have worked hard to address any issue you might bring up.

On November 28th, 4:00 - 6:00 pm, the second year Business Management students are holding a Trade Show to showcase their own business ideas. Ten student teams are ready to talk to you about their business plans.

Your vote will determine which student team is awarded:

- ▶ **Business concept most likely to succeed**
- ▶ **Most innovative business concept**

Agenda	November 28th
4:00 - 5:40 pm	Industry guests meet and talk to student teams
5:40 - 5:50 pm	Industry guests vote for "most likely to succeed" and "most innovative" business plan
