

# Memorandum of Cooperation and Exchange between the City of Burnaby and Tianjin Haihe High-tech Industrial Development Area

The City of Burnaby will develop and implement collaborative programs under this Memorandum of Cooperation and Exchange between the City of Burnaby, Canada, and its key trading partner, Dongli District, the City of Tianjin, People's Republic of China. Mandated by the City of Burnaby through the Burnaby Board of Trade in conjunction with Chinese partners such as the Sino-Can Economic Development Organization and Tianjin Haihe High-tech Industrial Development Area, the Memorandum will facilitate cooperation and development in the science and high-technology fields. Our mission is to foster a growing, competitive, knowledge-based environment for investment and trade and to invest in mutually beneficial cooperative development projects with high commercial potentials. We have achieved the following discussions as parameters for the Memorandum:

1. The City of Tianjin will set up an Industrial Park to facilitate the development of new collaborative partnerships between Canadian and Chinese companies to work together in full cooperation in various fields.

2. The City of Burnaby will arrange business visits to the City of Tianjin along with Sino-Can Economic Development Organization, Electronic Arts, and TZ Vancouver Film School.

3. With the investment and knowledge received in the fields of science and high technology under these cooperation and exchange programs, Dongli Animation District Park will develop the advanced capability and experience to present the most advanced 3D technology in the world.

4. The Burnaby Board of Trade and The Tianjin Board of Trade will maintain communication on a regular basis to serve as the bridge between the two parties.

## 合作交流备忘录

本拿比市将依据此备忘录制定和实施加拿大本拿比市与其主要贸易伙伴中国天津海河高新区的合作交流项目。备忘录要求在本拿比贸易委员会与加中贸促会以及天津海河高新技术产业开发区管委会的共同努力下,促进科学和高科技领域的合作与发展。我们的使命是营造一个持续增长,有竞争力并以知识为基础的投资和贸易环境,对具有高商业潜力的互利合作开发项目进行投资。通过讨论取得以下共识:

一、建立一个工业园区,以促进加、中两国公司之间在各个领域发展新合作伙伴关系;

二、本拿比将安排加中贸促会、美国艺电和温哥华电影学院一起对天津进行商务访问;

三、通过合作交流项目学习科学和高技术的投资和知识等领域,东丽动漫园区将开发先进的性能和经验,呈现出世界上最先进的 3D 技术;

四、本拿比贸委会和天津海河高新技术产业开发区管委会作为两地间的桥梁将定期保持沟通。
