June 15, 2021 – Gateway Casinos & Entertainment (Gateway) is excited to announce that Personas Patio + Restaurant + Lounge located at Grand Villa Casino will re-open for dine-in service on Thursday, June 17, 2021.

“We are very excited to finally be re-opening this restaurant and welcome back some of our team,” says Todd Pollock, VP, Food & Beverage at Gateway Casinos “It’s been a long closure and we want to thank everyone for their support and patience during these challenging times as we work diligently to safely return to operations.”

Maintaining a clean environment is a daily priority and it is regular practice to clean all hard surfaces, such as door handles and tables. Under the current environment, Personas is being hyper-vigilant in our cleaning protocols throughout our property to prevent the spread of transmittable illnesses, including COVID-19.

While things may look a bit different, your Personas experience will be everything you remember. Guests will be able to enjoy the spectacular signature patio, featuring its own bar area, social and table seating, and outdoor fire tables. Daily Happy Hour specials (starting at 4pm) and fan favourites like half-price Wine Wednesday and daily features are also back!
