

Alexander College

www.alexandercollege.ca

Vancouver, BC, Canada

Why Choose Alexander College?

International and Urban Experience

- Campuses centrally-located in Vancouver and Burnaby
- Inclusive and interactive clubs and events
- Affordable fees compared with public colleges and universities

Academic Quality and Transferability

- Courses are transferable to colleges and universities within the BC Transfer System
- Consideration of international course work and credentials
- Small class sizes, all classes limited to 35 students or fewer

Student Support

- Personalized academic planning and advising services
- Free tutoring and support in the Writing and Learning Centre (WLC)
- Staff and instructors committed to providing student-centered support

About AC

Alexander College is a private educational institution offering Associate Degrees as well as transferable first and second-year university courses for students wishing to transfer credit towards a Bachelor's Degree program at another institution in Canada.

Alexander College campuses are conveniently located in downtown Vancouver and central Burnaby. Our students enjoy a vibrant urban setting with instant access to transportation, shopping, and entertainment, all surrounded by the stunning environment that Vancouver is known for.

University Transfer Program

In the University Transfer Program, students are able to explore their academic interests through first and second-year courses which may be transferred to colleges/universities for admission to the second or third year of a Bachelor's Degree program.

Alexander College is a member of the British Columbia Council on Admissions and Transfer (BCCAT) system and has established transfer agreements with colleges and universities across British Columbia, including the most prestigious universities in the province.

The guide is available online: www.bctransferguide.ca

Transferable Specialization Areas

Associate Degree Program

The Associate Degree program is a foundational degree consisting of 60-64 credits, typically completed over a 2-year period. The program provides a comprehensive learning experience that also allows students to customize and focus their coursework in an area of personal interest.

On completion of an Associate Degree program, students may choose to either enter the workforce or continue their studies in pursuit of a Bachelor's Degree. International students completing an Associate Degree program may be eligible to apply for a Post-Graduation Work Permit (visit www.cic.gc.ca for details).

Research Methodology
Scientific Basis of Human Behaviour

Learning Support Services

At Alexander College, our aim is to provide students with an exceptional education in a multicultural and learner-centered environment.

Research has shown that students who make use of learning support services tend to perform better in their academic studies.

With a variety of services at both campuses, we aim to enhance and develop new strategies for successfully navigating the Canadian post-secondary education system.

English for Academic Purposes (EAP) Program

The English for Academic Purposes Program (EAP) is a preparatory program designed to develop core English language skills within a post-secondary context. This enables students to be equipped with the required English language competencies for college or university-level studies.

EAP consists of five levels, each focusing on language learning through academic subjects such as:

- Science
- Sociology
- Economics
- Literature
- Psychology
- Philosophy

The courses are designed to develop students' academic study and participation skills, while improving their English skills to a level that will lead to success in university courses.

Foundations

- ENGL 095

Intermediate Academic Preparation

- ENGL 096
- ENGL 097

Advanced Academic Preparation

- ENGL 098 + 2 university-level courses
- ENGL 099 + 3 university-level courses

Writing and Learning Centre

- Free 1:1 tutoring for all courses
- Academic Writing support covering all subject areas

Health and Wellness

- Free 1:1 counselling session with a registered clinical counsellor
- Provides workshops on topics such as stress management, test anxiety, and healthy relationships

Student Services

- Provides academic support services, including peer mentorship program
- Assists students experiencing academic difficulties
- Fosters student engagement through events, clubs, and activities

Library

- Stocked with a constantly growing and dynamic list of print publications
- A click away to millions of subscription-based online databases, articles, eBooks, films and other electronic resources
